

RECAP OF OUR 16 DAYS OF ACTIVISM

CAMPAIGN 2024

December 12, 2024 | CERESAV

PRESS CONFERENCE

CERESAV proudly launched the 16 Days of Activism 2024 with a press conference, highlighting the urgent need for stricter laws and increased sensitization against acid attack violence. The conference emphasized our ongoing work in providing survivors with medical care, psycho-social support, and livelihood programs. We intensified legislative advocacy and public awareness efforts to prevent attacks. ***With our partners, we remain dedicated to creating a safer and inclusive society where survivors can heal and thrive.***

MEDIA ENGAGEMENTS

CERESAV coordinated different powerful media engagements that included radio and TV sessions as part of its 16 Days of Activism activities. Survivors courageously shared their stories of transformation, resilience, and motivation, inspiring the public and raising awareness about acid violence. For more details, click [here](#). These efforts are intended to amplify our mission to support survivors, prevent acid attacks, and advocate for stricter laws in Uganda.

Together, we continue creating a safer, inclusive society for all.

DOCUMENTARY

CERESAV produced a six-minute

documentary showcasing survivors' inspiring stories and positive messages, emphasizing our efforts to restore confidence and dignity.

The documentary calls on stakeholders to join the fight against acid violence and support survivors. Watch it here: [Link](#).

Together, let's build a safer, inclusive society.

"We extend our heartfelt gratitude to our donors and sponsors who made this campaign possible. Your unwavering support fuels our mission and empowers survivors to rebuild their lives!"

GIVING TUESDAY

On Giving Tuesday, we called on our supporters to stand with acid attack survivors in Uganda. Thanks to our generous partners and donors, we raised \$4,187 towards our \$10,000 goal for the CERESAV Education Fund. This will go a long way in ensuring children of survivors attain quality education. There's still work to be done to achieve our goal, join us [here](#).

INTERNATIONAL HUMAN RIGHTS DAY

Together, we continue to champion human rights and amplify the voices of survivors.

CERESAV marked International Human Rights Day with a panel discussion on ***Addressing Acid and Burn Attacks Violence in Uganda: Effects and Risk Mitigation Strategies***. During the event, we also celebrated survivors as ambassadors of change, highlighting their resilience and advocacy during the 16 Days of Activism. Find the blog post by Ms. Rossette Kyakyo [here](#).
